

Taking pride in keeping Suffolk safe

Are you aware of FARM WATCH?

Suffolk is one of the safest places to live and work in the country. However, it is not crime-free and Farms can be targeted for certain types of crime.

To help reduce the chances of becoming a victim of rural crime, **Suffolk Constabulary** is promoting **FARM WATCH** for the **HAVERHILL RURAL** and **BURY RURAL** areas for **all** farms, gamekeepers and agricultural businesses.

As part of **FARM WATCH** you will have access to our communication system* (COMNET) - a free telephone service to WARN YOU OF LOCAL FARM-RELATED CRIMES. You will also receive crime prevention leaflets, a WATCH sign for your premises and regular contact with your Community Police Officer.

With strong links between the Police, Farmers and the NFU belonging to FARM WATCH reduces the chances of you becoming a victim of rural crime. Please help by becoming part of a community united against crime.
