

Twelve month action plan for Wickhambrook Parish Council

1. Share main responsibilities between councillors at Annual Parish Council Meeting.
2. Re-assess earmarked funds, identifying and prioritising projects to support. Ensure the Clerk has access to the bank account for the movement of funds between Parish Council accounts to enable the correct recording of these funds.
3. Continue to monitor the planned development off Cemetery Road (The Meadows) and track any available S106 monies.
4. Review Parish Council financial outgoings with the objective to continue to hold the precept bid for 2019 with a possible small percentage rise.
5. Take preparatory steps (investigate funding and sources of help) in preparation for Neighbourhood Planning.
6. Obtain funding for further improvements to the Skate Park.
